

The WorldMobile™ App

Why use WorldMobile™

WorldMobile™ allows travelers to access all the information they need about their travel, all in one place, and all on the go. Some of the major features include:

- Current itinerary (including options to share trip details on social media)
- Past itineraries (invoice retrieval)
- Security and Destination information
- Proactive FlightStats notifications – gate assignments, delays, cancellations
- Weather
- Currency Converter
- World Travel Agent contact
- Link to your Travel Portal, *if applicable*
- Connection to your Online Booking Tool App, *if applicable*
 - **Concur Users:** WorldMobile™ will connect you to the Concur Mobile App if your SmartPhone supports this app.
 - **Rearden Users:** WorldMobile™ will connect you to the Rearden Mobile App if your SmartPhone supports this app.

Download WorldMobile™

Ready to begin? It's easy. Scan one of the QR codes with your reader to access your SmartPhone's app store directly, or click on the QR code or link to be re-directed.

Registering for WorldMobile™

Once you've downloaded WorldMobile™, you'll need to create a user profile. This will link your WorldMobile™ user ID to your World Travel profile, syncing your travel plans and histories.

To enable full functionality of WorldMobile™, you must have an up-to-date World Travel, Inc. Traveler Profile. If you need assistance creating or validating this information, please contact the World Travel Online Help Desk at 800-221-4730 or onlinehelp@worldtravelinc.com.

Use the Sign Up button to register and validate your profile by entering TSA-required data. **Note:** The Sign Up data MUST match the data in your World Travel, Inc. Traveler Profile. Submit your information by clicking the Sign Up button. Shortly thereafter, an automated email will be sent to the email address you provided.
